

INVITATION TO BID

Project Name: Lyon County Phase 10A-2 Construction

Contract No.: Contract No. 1

DESCRIPTION OF WORK OF THIS CONTRACT

You are invited to bid on a general contract. The Contract provides for the construction of the western half of Phase 10A municipal solid waste disposal cell, including recompaction of the in-place low permeable clay liner, installation of flexible membrane liner, leachate collection system, and general work related to the disposal cell construction at the Lyon County Landfill. Additional construction items include repairs to the final cover of the closed landfill area, repairs to leachate control manholes, and retrofitting leachate recirculation infrastructure. The construction includes furnishing all parts, labor and materials necessary to complete the western half of Phase 10A, repair the final cover and manholes, retrofit the leachate recirculation system, and finish site work.
