The Lyon Soil and Water Conservation District needs volunteer rain gauge monitors in the following townships:

- Eidsvold • Westerheim • Vallery • Nordland
- Island Lake • Lynd • Lake Marshall
- Coon Creek • Sodus • Amiret • Monroe

The Lyon Soil and Water Conservation District (SWCD) have cooperated with the DNR State Climatology Office in an ongoing effort to monitor Lyon County precipitation patterns. Volunteer rainfall observers will be asked to make daily measurements using equipment and instruction supplied by the program.

For more information, please contact Anita Cauwels at 507-537-0396 Ext. 3 or AnitaCauwels@co.lyon.mn.us.
