

TV's & CRT Computer Monitors

Small Effort: Recycle your old or non-working flat-screen TV's and cathode-ray tubes (CRT) computer monitors and TV's.

BIG IMPACT

1. Keeps hazardous waste out of our landfill. TV's and CRT computer monitors containing the cathode-ray tubes can NOT be disposed of in Minnesota landfills. They contain up to 8 lbs. of lead and can cause an environmental problem if discarded with regular garbage.
2. Lyon County Landfill is a collection point. TV's and monitors are shipped to an electronics recycling processor.

Flat-screen Televisions

\$10
FLAT-SCREEN
DISPOSAL
FEE

Flat-screen computer monitors can be donated to our ResQ Zone program. See page 18.

CRT Monitors and Televisions

\$20
CRT
DISPOSAL
FEE
