

# Recycling BINGO Instructions

## Contents:

- Bingo cards with pictures or photographs of recyclable items on them (see sample Bingo Cards on RethinkRecycling.com)
- Bottle caps, buttons, paper clips, or something similar for markers
- Recycling bin/container filled with curbside recycling items
- Instructions (also with Bingo Cards on RethinkRecycling.com)

## Instructions

1. Assign one person to be the BINGO 'caller'
2. Distribute cards and bottle cap 'markers' to players
3. Caller selects an item from the recycling bin
4. Caller describes the item to the players
  - a. Explain the material (plastic, paper, metal, etc)
  - b. Point out any notable characteristics (bottle with a neck, recycling symbol on the container, etc)
5. Caller asks the players to determine if the item is recyclable
6. Players locate it on a card and cover with a bottle cap 'marker'
7. Caller continues to select items and call out items until someone calls out BINGO

\*Try variations of BINGO, the caller can select to play regular BINGO, four corners, postage stamp or black out BINGO at the beginning of each game.

## BINGO caller tips:

The recycling bin contains several recyclable items. To allow for longer discussion, it is recommended to call out the items by the EXACT item as listed on the BINGO card. For example, there are several types of plastic containers.
