**Regular Agenda**

**1. Letter of Support, Western Mental Health**

Sarah Ackerman presented information on a proposed chemical dependency treatment program at Western Mental Health. Sanow: Will this be for adults and adolescents? Ackerman: We are starting with adults and are hoping to move to adolescents in the future. Anderson: Can this be taken into the local jail systems? Ackerman: We are going to start with this in house and can discuss with our local jails to see if we can expand our services. Crowley: Would you be doing outpatient treatments? Ackerman: Correct. We would do the initial treatment plan and further treatment from there. We will refer to local resources here if the patients need further treatment.

Motion made to approve the County signing the letter of support for Western Mental Health Chemical Dependency Program.
