

# ANNUAL REPORT

The Annual Report is presented to show accomplishments in programs and projects that relate to what the SWCD has accomplished in relationship to the priorities set by the Board Supervisors which are:

-  **Prevent Wind, Water and Soil Erosion**
-  **Improve Water Quality and Promote Water Conservation**
-  **Promote Conservation and Resource Programs**
-  **Promote Energy Conservation**
-  **Improve Wildlife Habitat**

These priorities reflect the concerns described in the Lyon County Local Comprehensive Water Management Plan .

## 2022

LYON SOIL & WATER CONSERVATION DISTRICT

# MISSION STATEMENT

The mission of the Lyon SWCD is to:

-  Establish programs that assist in the protection of the public health, safety and welfare through Soil & Water Conservation and Protection.
-  Encourage land occupiers to conserve and protect our water and soil resources, implement erosion, sediment control and water quality practices.
-  Promote conservation through education, trained personnel and supervisors.
-  Seek and implement conservation practices and programs that will benefit the landowner, the county, local watersheds, and the nation.

Left to right: (Back Row) Thomas Andries - Lyon County Board of Commissioners Representative, Steve Prairie - Representing Area 5, Gary Laleman - Representing Area 1, Allen Deutz - SWCD Board Vice Chairman - Representing Area 2, Gary Crowley - Lyon County Board of Commissioners Representative, (Front Row) John Lanoue - SWCD Board Chairman - Representing Area 4, Mark Meulebroeck - Representing Area 3.

**GARY LALEMAN - AREA 1**

**ALLAN DEUTZ - AREA 2**

**MARK MEULEBROECK - AREA 3**

**JOHN LANOUE - AREA 4**

**STEVE PRAIRIE - AREA 5**

# LYON SWCD & NRCS STAFF

## SWCD STAFF:

JOHN BIREN - DISTRICT/ZONING ADMINISTRATOR

LUKE OLSON - CONSERVATION TECHNICIAN

BLAKE GILES - CONSERVATION TECHNICIAN

COURTNEY SNYDER – CONSERVATION TECHNICIAN

BROCK BOERBOOM - FARM BILL PHEASANTS FOREVER BIOLOGIST

ANITA CAUWELS - ADMINISTRATIVE ASSISTANT

## NRCS STAFF:

KELLY HEATHER – DISTRICT CONSERVATIONIST

GATLIN HEMANN – SOIL CONSERVATIONIST

MAGGIE SYVERSEN - SOIL CONSERVATIONIST

JEREMY LARSON – CIVIL ENGINEER TECHNICIAN

OPEN - ADMINISTRATIVE ASSISTANT

# 2022 ANNUAL REPORT HIGHLIGHTS

## PROGRAMS THAT THE LYON SOIL & WATER CONSERVATION DISTRICT ADMINISTERS:

REINVEST IN MINNESOTA (RIM)	ENVIRONMENTAL FAIR
STATE COST SHARE PROGRAM	GRANT APPLICATIONS
RAINFALL MONITORING PROGRAM	ARBOR DAY PRESENTATION
FARMFEST EXPO	BUFFER LAW
CLEAN WATER LEGACY GRANT PROGRAMS	DNR WELL MONITORING
ASSISTANCE IN CONSERVATION PLANNING PROJECTS	WETLAND CONSERVATION ACT ADMINISTRATION
DNR WATER PERMIT REVIEWS	FEEDLOT INVENTORY
EDUCATIONAL PROGRAMS	AGBMP LOAN PROGRAM
ANNUAL PLAN AND REPORTS FOR PUBLIC INFORMATION	WELL DECOMMISSIONING
MAWQCP – 15 CERTIFICATIONS FOR 2022	ONE WATERSHED ONE PLAN – YELLOW MEDICINE (DES MOINES-COTTONWOOD & REDWOOD)

## EQUIPMENT AVAILABLE FOR RENTAL OR USE:

TREE MATTING MACHINE – TREE PLANTER – CRIMPER – MULCHER -10' GRASS SEEDER

## ASSIST NATURAL RESOURCE CONSERVATION SERVICE (NRCS) WITH PROGRAMS:

WATER QUALITY INCENTIVE PROGRAM	ENVIRONMENTAL QUALITY INCENTIVE PROGRAMS (EQIP)
CONSERVATION STEWARDSHIP PROGRAM (CSP)	WILDLIFE HABITAT INCENTIVE PROGRAM
CONSERVATION PLANS	STATUS REVIEWS

## STATE GRANTS:

Lyon SWCD utilized State Cost-Share, Conservation Delivery, Local Water Management, Local Capacity and Wetland Conservation Act funds to construct eight erosion control projects. Total cost-share for the projects was \$97,661.51.

Local funding from Lyon County was also utilized to assist on Twelve Well Sealings. Total cost-share for the projects was \$6,097.55

Lyon SWCD also works closely with RCRCA/Area II and NRCS for funding and technical support.

## REORGANIZATION

Lyon SWCD, effective January 1<sup>st</sup>, 2013, became a department within Lyon County, MN. Staff positions as well as all financial responsibility are being paid through Lyon County. Grant funds are maintained and tracked through a designated fund within Lyon County. SWCD operations along with

the County Planning and Zoning department are housed and maintained in the same office at 1424 E. College Drive, Suite 600, Marshall, MN.

As part of the County Planning and Zoning department staff are involved with approval of feedlot permits, as well as septic permitting.

All the feedlot regulation, inspection and education were completed by the SWCD staff. Inspections provided staff opportunities to update records, address potential pollution concerns and environmental threats and educate producers of the current feedlot regulations.

Septic System inspections were completed for verification of soil and system installation certification. Of the thirty-eight approved, three of them applied for the County Septic Loan Program funds and were granted approval for funds amounting to \$26,965.35.

### **SHORELAND ORDINANCE**

The Shoreland Ordinance in conjunction with the Lyon County zoning ordinance provided assistance and education on best management practices in shoreland areas and reviewed proposed land use activities and permits. A total of three permits were issued.

### **ONE WATERSHED, ONE PLAN**

In the fall of 2013, Lyon County/SWCD became involved with Lincoln and Yellow Medicine SWCDs, as well as the Counties, Yellow Medicine Watershed and Area II for funds through BWSR for the Yellow Medicine One Watershed One Plan. This grant has focused on impairments of high nutrients and turbidity in the Upper Yellow Medicine River and the South Branch of the Yellow Medicine River. Currently the Des Moines River One Watershed One Plan is almost complete while the Cottonwood River – Middle MN and Redwood One Watershed One Plans are in the planning stage.

### **PHEASANTS FOREVER**

The Farm Bill Biologist actively promoted and enrolled marginal cropland into the Conservation Reserve Program. Landowner communication is the primary method used by the Biologist to promote various other programs, including the Walk-In access and CREP programs.

# LYON SOIL & WATER CONSERVATION DISTRICT

## PROGRAM PARTNERS

Entity	Partnership Contribution
Lyon County	Financial, program assistance
Natural Resources Conservation Service	Programs, technical assistance, staff shared
Minnesota Department of Natural Resources	Consultations, Contract services with SWCD
Area II Minnesota River Control Area	Technical, financial for projects
Redwood Cottonwood Rivers Control	Cost Share partner for projects, monitoring of resources
Yellow Medicine River Watershed	Cost Share partner for projects, monitoring of resources
Lyon County Sportsman Groups	Financial for projects, education
MN Association of Conservation Districts	Legislative lobbying, education and information
MN Department of Agriculture	Low Interest loan funds, educational information
SW MN Joint Powers TSA	Engineering Assistance
MN Board of Soil & Water Resources	Program direction, grants, training
